Dear Vicky,

The Sparks Foundation (TSF) congratulates you for securing a place as a Data Science & Business Analytics intern in its Graduate Rotational Internship Program (GRIP). Welcome to the team.

Please expect an orientation email in the 1st week of August 2021 with the list of tasks. Meanwhile, please join our LinkedIn group The Sparks Foundation, if you have not done it already. Link to the group: <https://www.linkedin.com/groups/10379184/> All important announcements will be updated in this group.

In case you have still not created profile on My Credible Info as suggested in the application/joining document as well as the FAQs document, please make sure you do it as soon as possible. Your profile on My Credible Info (<https://mycredible.info/login>) should be complete and username must be imvickykumar999@gmail.com. While creating the account please make sure that you should give the **access code** as **TSF-INTERN**.

The verification on your details may take 2-3 weeks. If your verification is delayed, you may not get the completion certificate even after submitting the tasks.

Please download your certificate at:
<https://truecertificates.com/verification/>

Type of verification: CERTIFICATE
Code: **A6SJL2G2YV**

Access Code: Not Required

Best Regards,
